Summary

Motivated Computer Engineering student seeking an entry-level role to apply skills in UI/UX, frontend development, Python, and cybersecurity (bug bounty). Experienced in building real-world projects like an automatic disc lock system and an Emergency SOS band, with a strong focus on problem-solving and secure, user-friendly applications.

Education

2023 – 2027 **B.E Computer Science and Engineering,**
Dhanalakshmi Srinivasan College of Engineering and Technology

2022 – 2023 **HSC,**
Government Higher Secondary School

Products

- Emergency SOS Band**
- Collaborated in a team to design the Emergency SOS Band with one-touch SOS triggering
 - Developed under BELIEF & OpenOrbit 100 Days Challenge
 - Presented at IKMC 2025 – Tech Showcase, HICC Hyderabad
- Automatic Disc Lock System (Prototype)**
- Collaborated in a team to design a smart automatic disc lock for motorcycle security
 - Developed control logic for ignition-based automatic locking and unlocking
 - Built under college R&D Department; prototype nearing completion

Projects

- Aqua Mata (UI Prototype)**
- Designed UI prototype for fishermen, students, and researchers.
- Money Laundering Pattern Detection (UI Prototype – Hackathon)**
- Designed UI to visualize suspicious financial transaction patterns
 - Focused on data representation and monitoring dashboards
- Gamified Learning Platform (UI Prototype – SIH)**
- Designed UI for a gamified learning platform for rural education
 - Focused on multilingual support, offline access, and student engagement
 - Proposed teacher dashboard for tracking student progress

Professional Experience

- Help Desk Intern**
- AdroIT Technologies (Naan Mudhalvan – IBM)
- Handled technical support and issue resolution
 - Gained experience in IT service management and troubleshooting
- R&D Team Member (Product Development)**
- Dhanalakshmi Srinivasan College of Engineering and Technology – R&D Department
- Worked on the development of the Automatic Disc Lock System prototype.
 - Contributed to system design and software logic

Certificates

- Oracle AI Foundations Associate - Oracle
- Internet of Things (Elite) – NPTEL
- Introduction to Industry 4.0 & IIoT (Elite) – NPTEL
- Virtual Internship – Help Desk Project AdroIT Technologies (IBM – Naan Mudhalvan)
